

LEDinspect MINI250

Inspectionlights

Multi-Angle Light Output High flexibility and diverse adjustment possibilities thanks to multi angle positioning

250 Lumen 3 light functions: Up to 250lm -high Up to 130lm low Up to 70lm -torchlight

USB-Cable & Power Plug Rechargeable battery. USB charging cable and power plug are included in the scope of supply

2-year-OSRAM guarantee* Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

Light is versatile

This high-quality inspection light from OSRAM is perfect for professional and private use. With three light functions high with up to 250lm, low with up to 130lm and torchlight function with up to 70lm, there is a light output to suit the task at hand. The 180° flex base gives further flexibility to be able to adjust the lightbeam where needed. The inspection light is rechargeable, and the integrated charge level indicator shows the current status of the battery with up to 3h operating time at high power or up to 6h at low power. A USB Type-C charging cable and the corresponding power adaptor are included in the scope of supply. In accordance with IP65 protection rating, this inspection light has

Product family datasheet | LEDinspect MINI250 © 2025, OSRAM GmbH. All rights reserved.

protection against dust and water ingress and is tested for impact resistance in accordance with IK07. This LED light is easy to carry, has a non-slip and dirt-repellent surface, includes an integrated hook & magnets for hands-free work and easy attachment, making it ideal for craft activities, car repairs and in everyday life. In addition, OSRAM provides a 2-year guarantee on this product*
